## Indirect Tax

**ControlPoint™**  
Exemption Certificate Management

ControlPoint™, a robust central repository for managing and sharing purchase and/or sales exemption certificates, provides complete control over your exemption certificates to improve tax compliance, reduce audit exposure, and substantially mitigate audit exposure for missing or incomplete documentation while dramatically improving the efficiency and effectiveness of the tax department.

**RatePoint™**  
Rate Lookup and Monitoring

RatePoint™ is used for rate lookup, address cleansing, and monitoring needs. It covers the United States, Canada, and select territories. RatePoint™ geospatial analysis provides rooftop-level accuracy. The data can be delivered three ways: a flat file, web-based application, and Application Programming Interface (API).

**FilePoint™**  
Tax Compliance

FilePoint™, the industry's leading sales and use tax compliance system, drives the creation of signature-ready forms and provides access to the largest body of electronic uploads in the market. Through an intuitive interface, hundreds of returns are married with powerful data-transformations that give users unfrequented flexibility and control over their return preparation process.

**PinPoint™**  
Tax Calculation

PinPoint™, a sales and use tax calculation engine and tax data warehouse, uses a powerful algorithm to increase accuracy and flexibility for transaction processing. Leveraging an unobtrusive implementation methodology, its design ensures pinpoint accuracy and automates and centralizes U.S. and Canadian indirect tax calculation and reporting with your sales and purchasing systems. It comes complete with a robust content library that includes more than 9,600 tax rules, maintained by Ryan, the largest indirect tax consulting firm in North America.

## Unclaimed Property

**Tracker PRO**  
Unclaimed Property Compliance

Tracker PRO, the world's most trusted abandoned and unclaimed property compliance system, has been used for over 20 years by more than 4,000 companies to address complex and evolving compliance

requirements, manage and mitigate risks, reduce costs, and improve overall productivity. Tracker PRO integrates and maps jurisdictional compliance issues. Tracker PRO's relational approach in managing holders'

unclaimed property records provides enterprise-wide visibility unmatched by our competitors.

In North America, Ryan, LLC and Ryan ULC provide clients with tax consulting, recovery, compliance, advocacy, technology and other client-related professional services. Ryan, LLC is a member firm of Ryan International, a Swiss Verein. Ryan ULC is a constituent entity of Ryan International, a Swiss Verein. Ryan International is a Swiss Verein whose member firms and constituent entities form a leading network of tax advisory and consulting firms, each of which may be licensed to use the name "Ryan" in connection with providing tax advisory and consulting services to its clients. The member firms of Ryan International and their constituent entities operate throughout North America, Europe and Asia in accordance with local regulatory requirements but are not a part of a single international partnership. The responsibility for the provision of services to a client is defined in the terms of engagement between the client and the applicable member firm or constituent entity. Neither Ryan International nor any member firm or constituent entity of Ryan International is liable or responsible for the professional services performed by any other member firm or constituent entity. Ryan International is not itself engaged in the practice of providing professional services. Rather, it is an international umbrella entity organized as a Verein under Swiss law. Not all member firms and constituent entities provide the full range of services mentioned within this brochure. "Ryan" and "Firm" refer to the global organizational network and may refer to one or more of the member firms of Ryan International, each of which is a separate legal entity.
